

Date: 18th Oct 2022

Action Plan (part 2)

Eco-Schools Topic:

Transport

Aim:

To encourage children to travel to and from school by sustainable means – walk, scooter or by bike

Action(s):

- **Ask for cover for bike/scooter area**
- **Half termly Walk to School weeks with rewards e.g. more field time.**
- **Work with JRSOs**

How long will it take?

Until June 23

Who is responsible?

- **Eco Club.**
- **JRSOs to organise walk to school weeks**

How we will monitor progress:

Record of travel to school

Evaluation:

More children travelling to school in a sustainable way.

Eco-Schools Topic:

Water

Aim:

To use less water

Action(s):

- **Water meter? (Ask Mr Moore)**
- **Toilet cistern water-saving blocks (Ask Mr Moore)**
- **Reduce paper usage**
- **Water butts to collect water for indoor plants**

How long will it take?

Until June 23

Who is responsible?

- **Eco club to raise awareness.**
- **Water monitors.**

How we will monitor progress:

- **Water meter readings.**
- **Ask Mr Moore about how much paper used.**

Evaluation:

Less paper means less water used for flushing and less money spent on paper.
