

# GOD IS WITH US

1. What an amazing night  
So let's celebrate, celebrate,  
Like no one has before.  
What an amazing night  
For Jesus has been born.
2. Praises will fill the sky  
So let's spread the joy, spread the joy,  
Like no one has before.  
Praises will fill the sky  
For Jesus has been born.

**(with optional harmony)**

**CHORUS**

*God is with us,  
He's with us now and every day.  
Because He gave us Jesus,  
There's no need to be afraid,  
We don't need to be afraid.*

3. We've got a song to sing  
So let's shout it out, shout it out,  
For everyone to hear.  
We've got a song to sing  
So cast away your fears.
