

STOKES DREAMS CRUSHED BY TOURE

By Miles Ager 6B

Stoke lost to Man City as they snatched the title at the end of this season. Yaya Toure (above) scored a 74th minute goal for City and that led to their victory over Stoke. City fans were **euphoric** over Man City's win and they shall **cherish** this win for a long time since it has been 35 years since their last cup title. Even so, Stoke have got a great team and have many more years in the premier league to go. So from me to all you City, Stoke and other team supporters - its goodnight.
