

21st July 2020

The Netmums website ([Netmums.com](https://www.netmums.com)) offers parenting advice and information.

If any parents would like an opportunity to do the **Family links** course in the comfort/security of their own home, it's free and has some brilliant ways of thinking outside the box to help with being a parent!

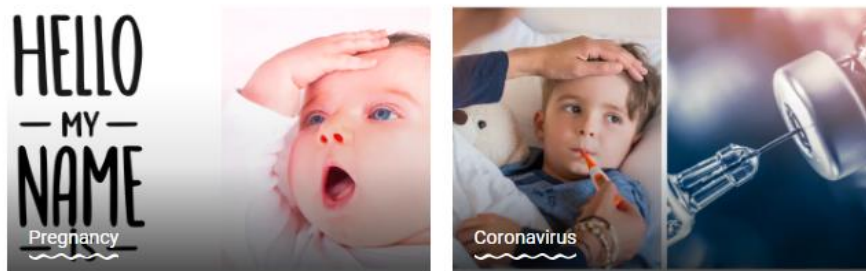

▶ What you can and can't do with kids this summer

What's open and what's not when it comes to family-friendly summer fun this July and August 2020...
