

# SPECTACTULAR SUPERSTARS

**By Holly Trainor**

As you all know every two years Bosmere children, staff and parents all come together and participate in Superstars. In this report we are going to tell you about the different events and things that happened during the week of Superstars.

## MONDAY

On Monday many people were very nervous and excited. Throughout the day lots of preparations by the staff were being made. Before the usual end of day children were allowed to go and change into something more appropriate for their events. For example in hold that bowl it would have been sensible to wear waterproof clothing or dark clothing. However if you chose to wear light (see-through) clothing you would have found out there was a problem! All went well on Monday and there were some very high scores creeping on to the score board.

## MID WEEK

Everyone was waiting for the most popular event in superstars - target marbles... no...towering inferno...no...its SPLAT THE STAFF! It was

said that Miss Smallman had make up running down her face after being drenched by her class. There were high scores on all of the class boards.

Batty bowling was a tough event however and it was very hard to score a ten. Everyone taking part was very thankful to the parents who came in and helped with the events. The tuck shop was very popular and by Thursday most of the stock had been engulfed by the very hungry children.

## SPLAT THE STAFF

Most of the teachers were completely worn out at the shock of being splatted with a wet sponge. Thank you to our lovely Office Ladies for helping out and organising the amazing activity - which no doubt the children loved. It was alleged that after being soaked by the children in 6B, Mrs. Barnard went home sopping wet and relaxed in a warm bath with a big bar of chocolate!

Now the teachers are only just recovering and all children are carrying on with their usual work. Thank you to all the teachers, but especially Mr. Bowker for organising the brilliant event!!
